

Dominican Hospital

Dignity Health Dominican Hospital has been caring for the Santa Cruz County community for generations. Preeminent services include the only comprehensive cancer center in Santa Cruz County, a total joint replacement program, advanced neurological and endoscopic services, and an expert heart and vascular team treating some of the most complex cardiac cases in the Monterey Bay area. The Birth Center has received the Baby-Friendly designation, and a Blue Shield of California Blue Distinction® Center Maternity Care designation. It offers an on-site Level III Neonatal Intensive Care Unit (NICU) through a partnership with Lucile Packard Children's Hospital Stanford. The hospital has received national recognition for superior patient safety, cardiac care, and stroke treatment, and has also received several awards for environmental excellence.
