

# WHEN MS HITS BELOW THE BELT

**Barbara Giesser, MD, FAAN, FANA** is an internationally recognized clinician who has specialized in the care of persons with multiple sclerosis since 1982. She has been faculty in the Departments of Neurology at the Albert Einstein College of Medicine, the University of Arizona Health Science Center, and the David Geffen UCLA School of Medicine, where she is Professor (emeritus) of Clinical Neurology. She currently directs the MS Comprehensive Care Clinic at the Pacific Neuroscience Institute in Santa Monica.

This presentation will include information about how MS may affect bladder, bowel and sexual functions, how to recognize common symptoms, and available treatments.

**Monday, July 29, 2024**

11:00am - 12:00pm PDT

*Registration is required and a ZOOM link will be emailed to registrants.*

*This presentation will not be recorded.*

*Space is limited.*

*Please register by July 22nd.*
