Enhanced Care Management

A Medi-Cal Program

PARTNERSHIP
HEALTHPLAN of CALIFORNIA
A Public Agency

Enrollment in Partnership Healthplan of California is a requirement. Our ECM program serves adults 18+ experiencing barriers to community and health related services. Sharing information about yourself, situation and needs helps your Community Navigator understand your situation. Then, connections can be made to support you in your community.

**Hello humankindness®**

Services Offered

Enhanced Care Management:

- Assigns you a Community Navigator to get you connected to medical, mental health and community services that are important to you.

- Helps you locate medical, dental, vision, and mental health providers and can assist with making appointments.

- Connects you with transportation to get you where you need to go. Can accompany you to medical appointments if needed.

- Helps you understand your medications and medical routine.

- Discusses adequate support at home and in the community. You choose resource options to build your plan of care.

What we ask from you:

Participate by setting goals that keep you happy, healthy and safe.

Inform your Community Navigator of important changes in your contact information, living situation and medical needs.

"Life is in different stages. Every stage of life is the foundation for the next stage of life. Every stage of life must be fully-lived."
