

Mercy General Hospital

Dignity Health Mercy General Hospital was established 100 years ago as Sacramento's first hospital and has been providing a wide range of health, social, and support services with special advocacy for the poor and underserved. Our cardiology and cardiovascular teams diagnose and treat a wide range of conditions, ranking in the top two among California hospitals for cardiac bypass surgeries, and have evolved into a recognized national leader in quality outcomes. Alex G. Spanos Heart & Vascular Center is a state-of-art, four-story addition that provides all cardiac services under one roof: Cardiac Rehabilitation, Cardiac Support Unit, and Cardiopulmonary Services. It also includes: 71 private, family-friendly patient rooms, expanded 21-bed cardiac ambulatory procedure area and a highly advanced 20-bed cardiac surgery ICU.
